## 以設計融入台中地景與歷史記憶， 翻轉傳統產業面貌

臺中市政府文化局自 2021 年起推動「TCOD 台中原創」品牌計畫，期望透過城市共同品牌推廣，扶植在地文創業者與設計產業，提升台中文創品牌價值與競爭力。

2023「TCOD 台中原創」品牌計畫邁入第 3 年，本屆共 149 家業者報名，計 281 組，總件數 622 件，創下歷年新高。文化局邀請文化、設計、藝術及行銷等不同領域專家學者進行評選，嚴選出 30 組創意與品質兼具的優秀商品，獲得「TCOD 台中原創」認證。

低碳與永續發展是近年國際環保趨勢，今年有許多獲選產品以工業製造邊角料、海洋自然廢棄物等環保素材作為設計思考，也看得出許多來自台中在地製造業的精良商品，在過去打下紮實基礎上加入創意思維，為傳統產業注入新活力。

## Celebrate the Good Life

Taichung is a leisurely and livable city. The city's mild climate and open spaces have attracted countless craftspeople and creative brands to set down here. The items selected for honors in this year's 3rd Taichung Original Design (TCOD) program all aesthetically weave together time-honored tradition and sophisticated modern fashion. Those items will be the essential parts in our daily rituals of joy.

## Designs Inspired by Taichung's Landscape and Heritage Transforming the Face of Our Traditional Industries

---

The Taichung Original Design (TCOD) program, launched by Taichung City's Cultural Affairs Bureau in 2021, is dedicated to promoting high-quality brands affiliated with Taichung City, supporting local cultural-creative and design businesses, and enhancing the value and competitiveness of Taichung-based cultural-creative brands.

This year's 3rd TCOD received a record-breaking 281 entries, including 622 items, from 149 businesses. Judging was conducted by a panel of cultural, design, art, and marketing experts convened by the Cultural Affairs Bureau. In the end, 30 innovative entries that met the panel's high standards for both quality and utility were awarded TCOD certification.

Low-carbon generation and sustainable development are rising trends in international environmental protection efforts. Many of the 2023 TOCD award winners incorporate production-scrap materials, marine debris, and other eco-materials in their design and production, demonstrating the finely honed innovation and design acumen of Taichung's manufacturing base and the unique ability of Taichung businesses to breathe new vitality into traditional industries.

Taichung is a leisurely and livable city. The city's mild climate and open spaces have attracted countless craftspeople and creative brands to set down here. The items selected for honors in this year's 3rd Taichung Original Design (TCOD) program all aesthetically weave together time-honored tradition and sophisticated modern fashion. We invite you to experience the ritual of joy in Taichung.
